# PEACE REFORMED CHURCH

SHARING THE LOVE & PEACE OF JESUS CHRIST

Join us this Sunday, May 18, with Pastor Jason Van Wyk.

**Special Music:** Katie Kirby

**Praise Team:** Katie Kirby, Jeremy Russell, Merlin Thompson,  
Jeremiah Thompson, Charlie Shanafelt, Carson Turner

**Scripture:** Luke 15:11-24  
Genesis 33:1-10

**Sermon:** Homecoming

**Summary:** How often have you felt like you can never go back home again? For some of us it's a literal situation for others it's metaphorical about our struggle to return to those relationships we've had in the past. Today we look at the incredible value and beauty of homecoming.

## **Discussion Questions:**

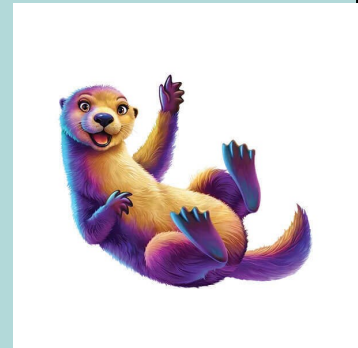

- Have you ever had a relationship that you felt like you've messed it up so bad you could never go back again?
- To your knowledge, are there people who would feel apprehensive about reconnecting with you?
- What do we learn from Esau and the father's reaction to those who have wronged them?
- What would it look like for you to respond this way to someone?
